Please tick your chosen payment plan for your 2010 tuition fees:

- Postmarked before 17th December 2010: \$1050
- Postmarked after 17th December 2010: \$1100
- Partial payment of 4 payments or 5 payments

- The final payment of the tuition should be postmarked by 30th April 2011.
- Curriculum will not be sent until full tuition (or partial payment agreement) is received, one of which must accompany this form.

Partial Payment Agreement: _____
(Please Sign)

Please make your cheque payable to the Advanced Training Institute of New Zealand. If you are unable to pay by 30th April 2011 and special arrangements are needed, please contact the New Zealand ATI Coordinator.

Many families have asked how they can contribute to the "ATI Scholarship Fund" in order to encourage ATI families that have financial needs. If you would like to contribute, you may include your gift with your tuition payment. These contributions are tax-deductible, and a receipt will be sent to you. Please write "excess for scholarship fund" on the back of your cheque.

The ATI tuition payment is a **participation fee** for the entire ATI programme, and is not a purchase of curriculum. It is our privilege to provide the curriculum at no extra charge to enrolled families.

Section D: Shipping Instructions

In order to pick up your 2011 training materials at the ATI Training Conference it is vital that we receive this form before 17th December 2010. If you do not plan to attend the Conference, your 2010 training materials will be sent to you from the ATI Office on receipt of this form and your 2011 tuition, unless by prior arrangement with the New Zealand ATI Coordinator

Section E: Commitment

As superintendent of my home school I am accountable to ATI for...

- Seeing that my family completes six to eight *Wisdom Booklets* this year
- Contacting the ATINZ office upon making plans to enrol my student (s) in any other educational institution
- Knowing and complying with all the laws pertaining to home education in New Zealand

I will make ATI aware of any major hindrances to my family's education. I purpose to maintain the standards and commitments upon which I was accepted into ATI and will take full responsibility for my family's enrolment status if I fail to comply with any of the guidelines set forth.

Father's Signature _____

Fathers, please note: This commitment that fathers are to sign is intended to be a goal to complete six to eight *Wisdom Booklets* per year rather than a promise to do so. We understand unexpected interruptions. Please note this clarification as you sign.
