THEY THAT

# TRUST IN THE LORD

*shall be as mount Zion, which cannot be removed, but abideth for ever.*

PSALM 125:1

Dear Families,

This year our theme is “Trust in the Lord.” Scripture exhorts us, “Trust in the Lord with all thine heart; and lean not unto thine own understanding” (Proverbs 3:5). More than ever before, there is a great need to place our hope and trust in Jesus Christ—not only for our future, health, and finances, but also for our family relationships, fellowship with other believers, and revival in our nation. While it is easy to place confidence in men, methods, or ministries, the time is now to confirm that we are deeply rooted in God’s Word. Programmes may help; people may encourage; families may be strengthened; change may take place in our nation—but when all is said and done, we must trust in the Lord.

As you make plans to attend our conference, our hope and prayer is that you and your family’s trust in the Lord will grow stronger and deeper. Through messages from God’s Word and encouraging fellowship with like-minded believers, at this special set-aside time, we desire that each person’s heart will be touched and every believer’s confidence made surer as we each gain greater strength to trust in the Lord.

**Guest Speakers:** Jim Bob and Michelle Duggar, and bringing 13 of their children.

Raising 19 children is a big challenge; raising them for over 10 years while on reality TV is an even greater challenge. Trusting in the Lord for their family is something Jim Bob and Michelle have definitely experienced, both privately and publicly. The Duggars humbly share their joys and trials, desiring to minister to other families who desire God’s best, even when their lives take unexpected turns. Jim Bob and Michelle’s message is still the same: trust in the Lord.

**Guest Speaker:** Robert Hunt (*Creation Ministries International*)

Robert Hunt left behind a promising career as a software engineer in order to attend Bible college and linguistic classes when he retrained to become a Bible translator.

A long term lover of science and mathematics, Robert felt mentally liberated when he discovered creation magazine and realised that he didn’t have to leave his brain at the church door when it came to science and the Bible. He began teaching creation to local church and school groups, as well as organising a community seminar to teach about design in biology.

**Guest Speaker:** Robert Barth

Rob and his wife, Gemma, live in Oak Brook, Illinois. They have homeschooled their ten children who have faithfully served the families at IBLP Headquarters. He has been associated with Regent University in several capacities over the years and is the General Counsel for the Institute, as well as Secretary of the Board. Bob is also Director for Academic Programs at Oak Brook College of Law and we look forward to hearing his insights on family life.

**Other speakers:**

DVD Messages from Tim Tomlinson, Jerry Benjamin, S M Davis, Scott Pauley,  
*Live - Messages from a selection of NZ ATI fathers.*

*To every thing there is a season, and a time to  
every purpose under the heaven.  
Ecclesiastes 3:1*

# Children & Youth Programmes

## Little Fishers (1-4 years)

This is a fun place for the younger children to play in a safe supervised indoor and outdoor environment. A live feed from the auditorium ensures that any parents who wish to stay with an unsettled child may do so and not miss any teaching. The children are supervised by mature young adults and responsible 15+ ATI students.

## Children's Institute (5 –12 years)

The Children's Institute Programme is age and sibling integrated.

The goal of the Children's Institute is to, *"turn the heart of the fathers to the children, and the heart of the children to their fathers"* (Malachi 4:6)

The children are taught God's truths in ways that are understandable and exciting. Seeds are planted in each child's life that will yield much fruit in due season. Team leaders are taught creative ways to integrate life principles into lessons that captivate and motivate children.

## Student Sessions During Family Conference (13+)

Students 13 and older who are not serving are expected to sit with their families during sessions. Separate sessions are provided for the young people whilst parents are at small group sessions.

This is a time for our young people who have served and ministered during family conference to be motivated and strengthened in their walk with the Lord. Students will enjoy the variety of sessions, small groups, activities and devotions as they are encouraged and encourage each other.
