Seek
YE THE
Lord

The 2019 Mid Year Family Conference theme is **“Seek Ye The Lord.”** Come join us to hear dynamic messages from God’s Word including S.M. Davis, Otto Koning, Tim Lee, and Gil and Kelly Bates.

As you make plans to attend a Mid Year Family Conference, our hope and prayer is that you and your family’s trust in the Lord will grow stronger and deeper. Through messages from God’s Word and encouraging fellowship with like-minded believers in this special set-aside place, we desire that each person’s heart will be touched and every believer’s confidence made more sure as we each gain greater strengthening to Seek Ye The Lord.

This Mid Year Family Conference will include local ATI fathers speaking, and DVD sessions from the following speakers:

S. M. Davis - S. M. Davis is internationally known for his extensive video library that he makes available to families through his ministry, Solve Family Problems, and through his itinerant teaching and preaching ministry. His teaching is practical in understanding our roles as parents, teens, and children in the home and in our relationships. His messages will center on how to trust in the Lord when your children don't.

Otto Koning - Otto trusted God and obeyed His call to serve Him in Papua New Guinea in the 1960's-'70's. The life lessons he learned during his 14 years on the mission field ministering to tribal people not only impacted the tribes but also countless others who have heard his stories through his "Pineapple Story" series. Otto and his family continue to share their message of trusting in the Lord, the importance of missions, and understanding spiritual warfare.

Tim Lee - Tim Lee grew up in a Christian home and gave his heart to Christ at the age of 10. As he grew up, however, he developed a hostile attitude toward authority. At age 14, Tim walked the streets of McLeansboro, IL, protesting all ordained authority in the home, church, and school. Tim was running from God and joined the Marine Corps in 1969 to escape the world around him. What began as a routine mine sweep in 1971 ended in disaster when both of Tim's legs were blown off. His days of running from God were over, and Tim finally surrendered to God. Today Tim travels as an evangelist, carrying the Gospel across the nation.

Gil and Kelly Bates - For a taste of Southern hospitality, stop by the Bates' home nestled in the hills of Tennessee. For a taste of good, down-to-earth Bible preaching on family, marriage, and your walk with the Lord, listen as Gil Bates shares from the Word and his own walk with God. Gil and his wife Kelly love and serve God through raising their 19 children and ministering in a Bible-based church.
